

# KEITH CHOW

Born on the island of Hong Kong and raised in the city of Toronto, Keith Chow desires for people to become “a living exhibition of God” through faith in Jesus Christ. Keith’s 10+ years of leadership both in and out of church have filled people with God’s hope and challenged Christians towards a deeper Kingdom life with Jesus. A sought after speaker known for his wisdom, practical honesty and humor, Keith is also a former small town newspaper columnist and soon to be first time author. Above all else, Keith is first God’s son, who also has the joy of being a husband, a father and Senior Pastor at Emmanuel Covenant Church in beautiful British Columbia, Canada.
