TESTIMONIAL

Perry Rubinfeld, Camp Health Officer, Camp Massad

How was your experience using QDoc?

It was nothing short of EXCELLENT! A doctor was available every time within minutes.

How did QDoc benefit you and your camp?

I saved at least a dozen trips to the hospital... many times campers & councillors came to me with problems beyond my scope and knowledge. Instead of taking them to Gimli Hospital ER... I contacted QDoc. It made my job much easier.

Would you recommend QDoc to other camps?

Absolutely! What a time saver! The reassurance, compassion and professionalism of all the doctors made it a very positive experience.

What would you say to camps considering using QDoc?

Get registered! It only takes a few minutes to do. Once registered.... either as a camp or individual, it is a simple process to speak to a doctor.
