

Welcome to Camp Arnes

We are super excited that Summer 2024 is fast approaching! Did you know that this year is Camp Arnes’ 75th anniversary? Camp’s humble beginnings were nothing more than a few tents and the hope that we could provide a place where people could enjoy God’s beautiful creation while growing in their faith. To honour our long-standing slogan of “A Place to Grow”, we’ve decided to plan our whole year around the theme of “Growing Strong.”

“Jesus grew in wisdom and stature and in favour with God and all the people.” Luke 2:52 (NLT)

Jesus had a humble beginning, being born in a manger. We see in our theme verse that He grew in wisdom and stature, and in favour with God and with people. When we have a real and personal relationship with our Lord and Saviour, Jesus Christ, we too are blessed with gifts and talents that help us to grow strong, allowing us to become the people that God wants us to be. We invite you to come and join us at Camp Arnes for Summer 2024 to hear about and experience the growth that God has planned for you.

“Hey... I’ve been there.”

If you went to camp I bet you wanted to come back. If you spent a summer at Camp Arnes you experienced one of the premium camps Manitoba has to offer. Perhaps you came here with your school. It may be that you took swimming lessons in our indoor pool. Maybe you came here to unwind with a retreat group. No matter why or when you experienced camp in the last 75 years, your younger self wants to come back.

In order for Camp Arnes to continue to share the same joy and experiences we need your support. If you love camp, please give us a year. Twelve months of contributions from everyone that experienced camp would ensure that Camp Arnes will be around for another 75 years. How much you contribute is up to you. If everyone who loved camp contributed \$75 a month for a year we would reach our goal to bring back the indoor pool, construct new facilities, and create and improve our activities. Most importantly we can continue to operate and bring joy to the future generations to come.

75 YEARS - GROWING STRONG

PEOPLE POWER

Many people that have been to Camp Arnes ask how they can support camp. As you may know, camp is a big place. If you have a specific skill and would like to contribute, we sure could use you. SUPPORT

When people talk about supporting camp they mostly consider a financial contribution. You can support camp in many unique ways. Donations of products, or food, or equipment. Almost anything can be used at camp. If we can’t use it we can almost always turn it into money. In most cases a tax receipt is possible. If you have a unique idea on how to support camp please reach out to Jim at 204-803-5115. We would love to connect.
